Jennifer,

Sam sent forward another draft response for ORD to use for a letter Admin Wheeler received from Washington State's Governor Inslee regarding the science transparency rule. The draft response is the same one we have used for other state and congressional comments on the rule.

Richard reviewed and had no comments.

Please let me know if you're ok with this moving forward.

Thanks,
Megan

Hi friends – can you get clearance on the attached response please? Should be easy as it's identical to the others we've sent. The letter is from Governor Inslee of Washington.
